

Community Food Access Map

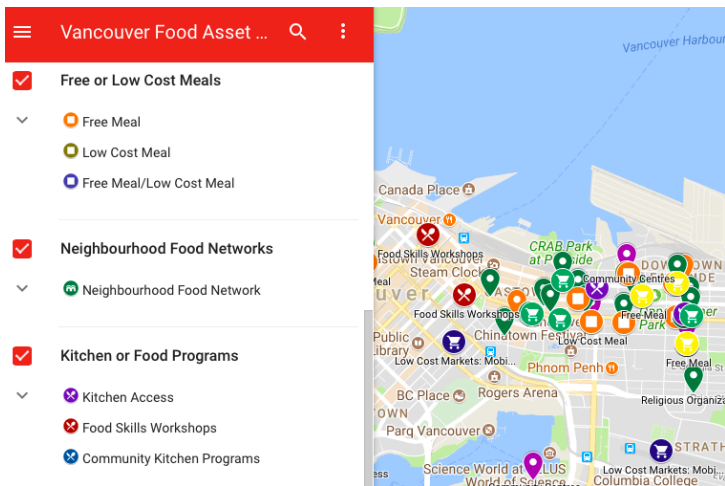

Downtown Eastside Kitchen Tables

UPDATED April 2018

The information contained in this booklet includes free and some low cost, ready-to-eat meal options publicly accessible by DTES residents.

We recognize that there are organizations which deliver many additional free meal programs which are reserved for specific groups or facilities in the DTES (ie; resident meal programs, community kitchens). These are not included in this booklet. In addition, there are many free and low-cost meals outside of the DTES.

We encourage you to explore those options through the VCH Food Asset Map (VFAM).

The VFAM is continuously improved and updated and can be accessed on any smart device or computer with internet access.

Simply:

1. Google search “Vancouver Food Asset Map”
2. Click on the first link appearing on the search result
3. Click “View Vancouver Food Asset Map”

More detailed instructions available on the VCH webpage at <http://www.vch.ca/public-health/nutrition/food-asset-map>

**Downtown Eastside
Kitchen Tables**

The Downtown Eastside (DTES) Kitchen Tables Project, a program of Potluck Café Society, works in collaboration with residents and community stakeholders to improve the quality, nutritional impact, abundance and delivery of food for the most nutritionally vulnerable DTES residents, while creating jobs in the community.

We take a multi stakeholder, Community Economic Development and systems approach to reforming a fragmented charitable food system. The Project is a grassroots expression of the Right to Food philosophy. We believe everyone deserves dignified access to clean water and fresh, nutritious food.
